What is eProcure Auto Evaluation Pro?

eProcure Auto Evaluation Pro v5.1 Lifetime – Shahin Edition is a professional automation tool for Bangladesh e-GP portal (www.eprocure.gov.bd).

It automatically does:

- Click "Evaluate Tenderer"
- Open "Evaluate Form"
- Fill Clarification with "Accepted" and check Technically Qualify
- Submit automatically
- JVCA / Joint Venture / Subcontractor rows -> Set to "No" in 1 click
- Finalize Responsiveness -> Set "Technically Responsive" + "Responsive" and submit

Result: Hours of manual work done in minutes. 100% safe with human-like random delay.

What do you need?

- Windows 10 / 11 PC or Laptop
- Google Chrome or Firefox browser
- Internet connection
- eProcure.gov.bd login ID
- eProcure Pro Lifetime License from Mohammad Shahin Hossain

Step 1: Install Tampermonkey Extension

1. Open Google Chrome.
2. Go to: chrome.google.com/webstore
3. Search: "Tampermonkey"
4. Click "Add to Chrome" -> "Add extension".
5. For Firefox: go to addons.mozilla.org -> search Tampermonkey -> Add.

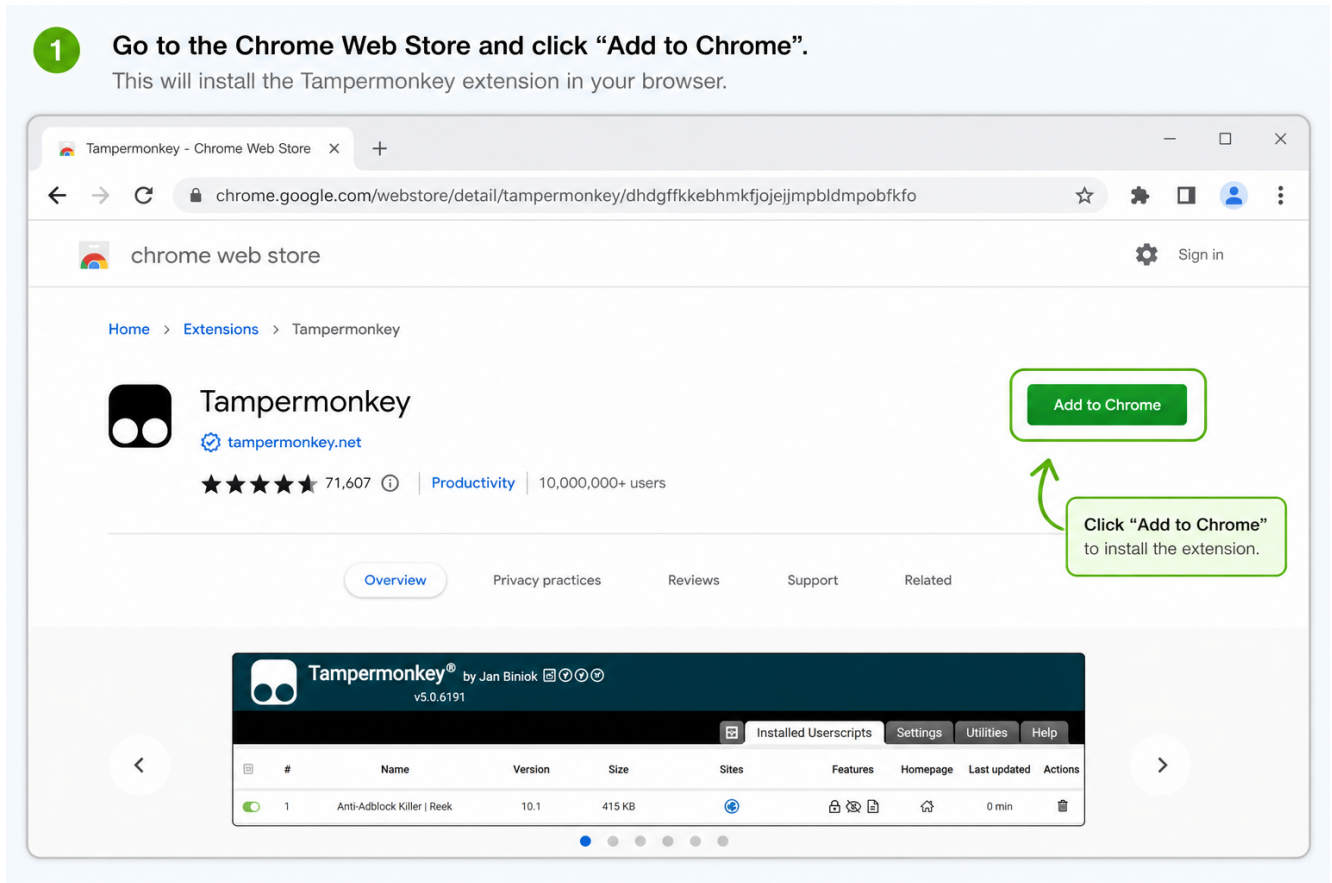

Figure 1: Chrome Web Store – Tampermonkey – Click "Add to Chrome"

After install you will see the Tampermonkey icon at top-right of Chrome.

Step 2: Check Tampermonkey is Enabled

Open your browser Extensions page and make sure Tampermonkey toggle is ON (blue).

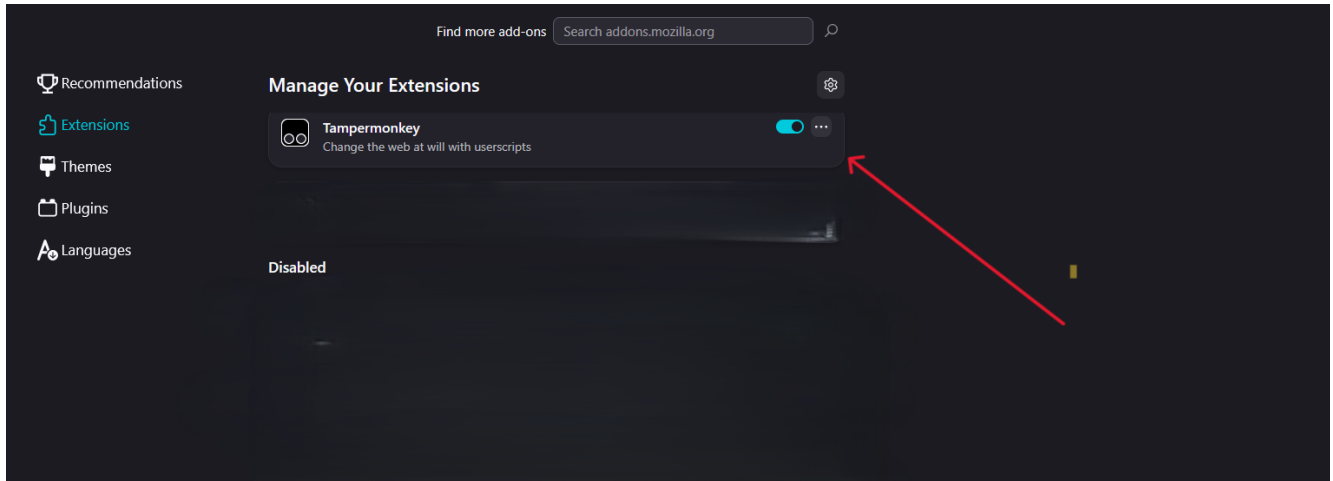

Figure 2: Manage Your Extensions – Tampermonkey – toggle ON

Then click the three dots menu next to Tampermonkey and click "Options".

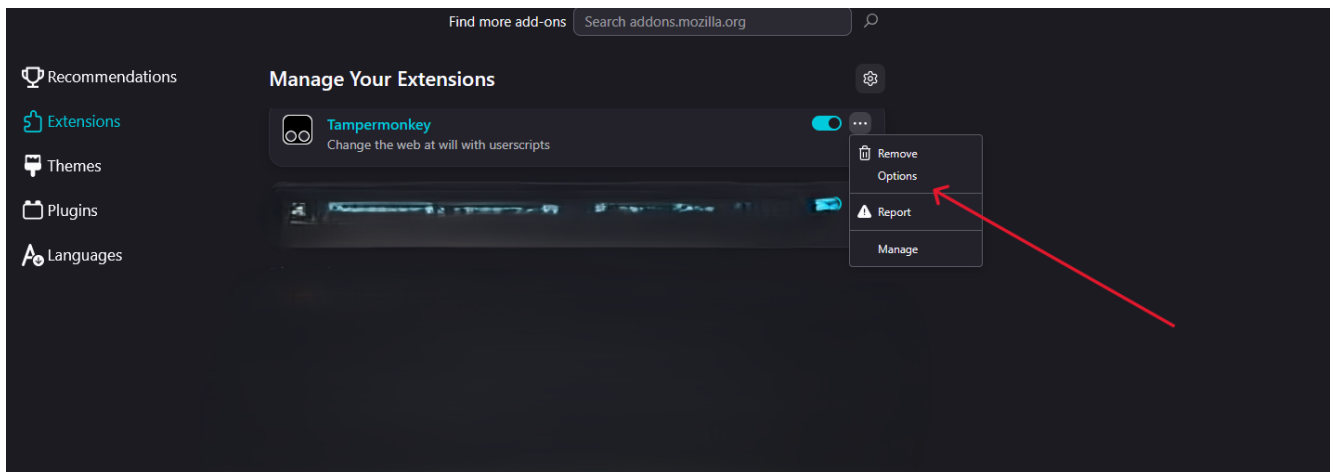

Figure 3: Extensions -> Tampermonkey -> ... -> Options

This opens the Tampermonkey Dashboard.

Step 3: Install eProcure Pro Script

You will receive a file from Shahin Bhai:

eprocure-pro-shahin-v5.1-DISTRIBUTION.user.js

Installation steps:

- Open Tampermonkey Dashboard
- Click "Utilities" tab at top right
- Under "Import from file", click "Choose File"

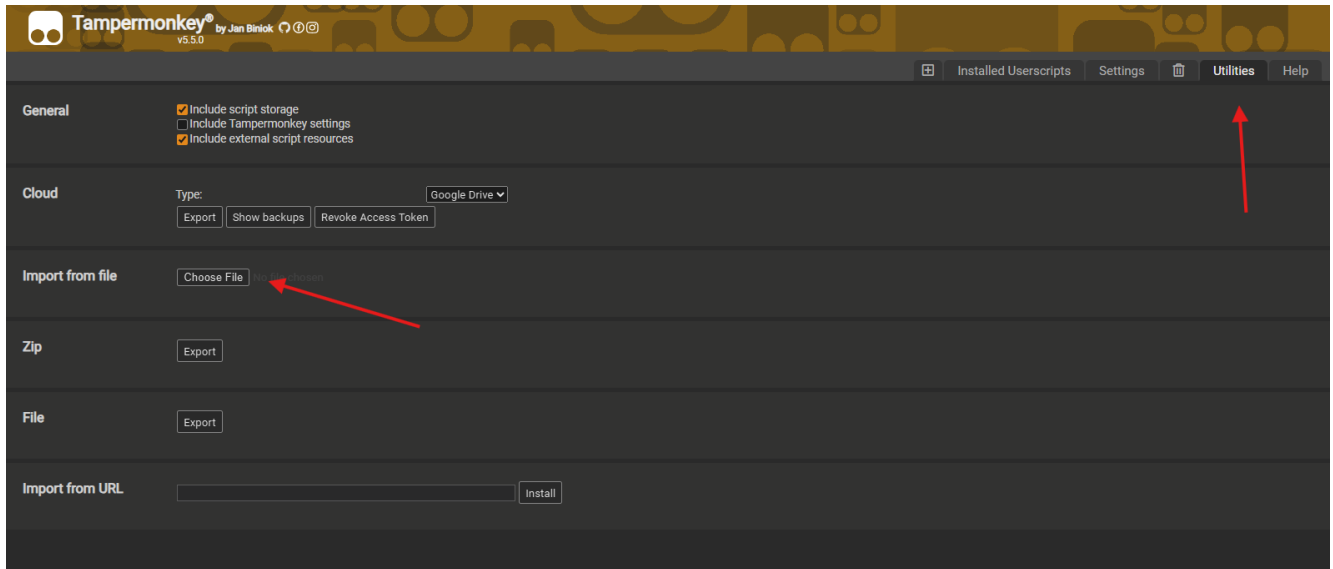

Figure 4: Tampermonkey Dashboard -> Utilities -> Import from file -> Choose File

Select the .user.js file you received:

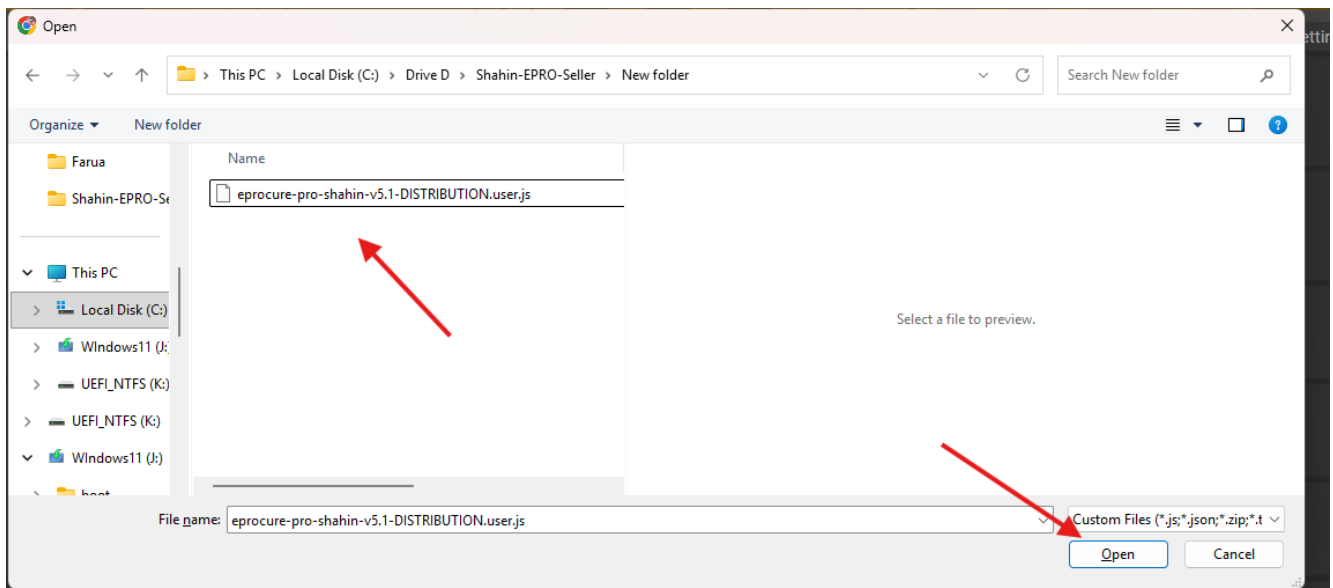

Figure 5: Select eprocure-pro-shahin-v5.1-DISTRIBUTION.user.js -> Open

The Userscript installation page will open.

Step 4: Confirm Install

On the Userscript installation page you will see:

- Name: eProcure Auto Evaluation Pro - Shahin Edition
- Version: 5.1 Lifetime
- AUTHOR: Mohammad Shahin Hossain
- DESCRIPTION: Auto Evaluation + Clarification + JV Control + Finalize Responsiveness - Licensed Lifetime Edition by Mohammad Shahin Hossain, LGED
- INCLUDE(S): <https://www.eprocure.gov.bd/>*

Click the "Install" button at left / top-right.

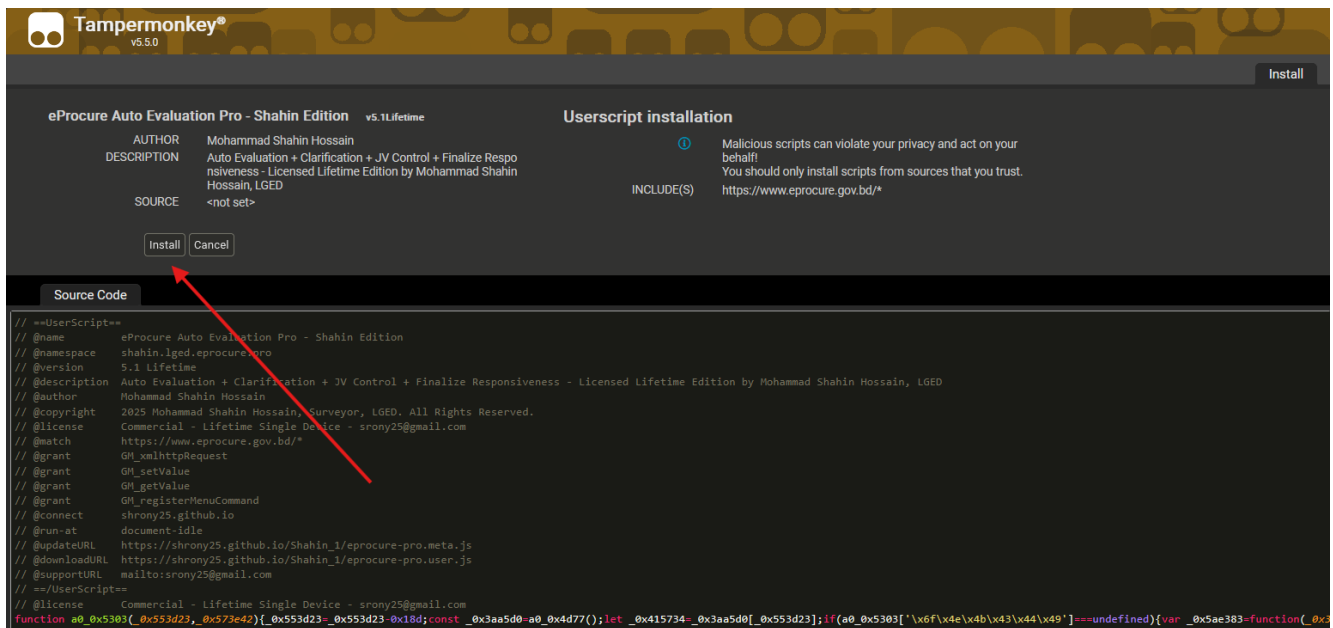

Figure 6: Userscript installation – AUTHOR: Mohammad Shahin Hossain – Click Install

After successful install, go to "Installed Userscripts" tab:

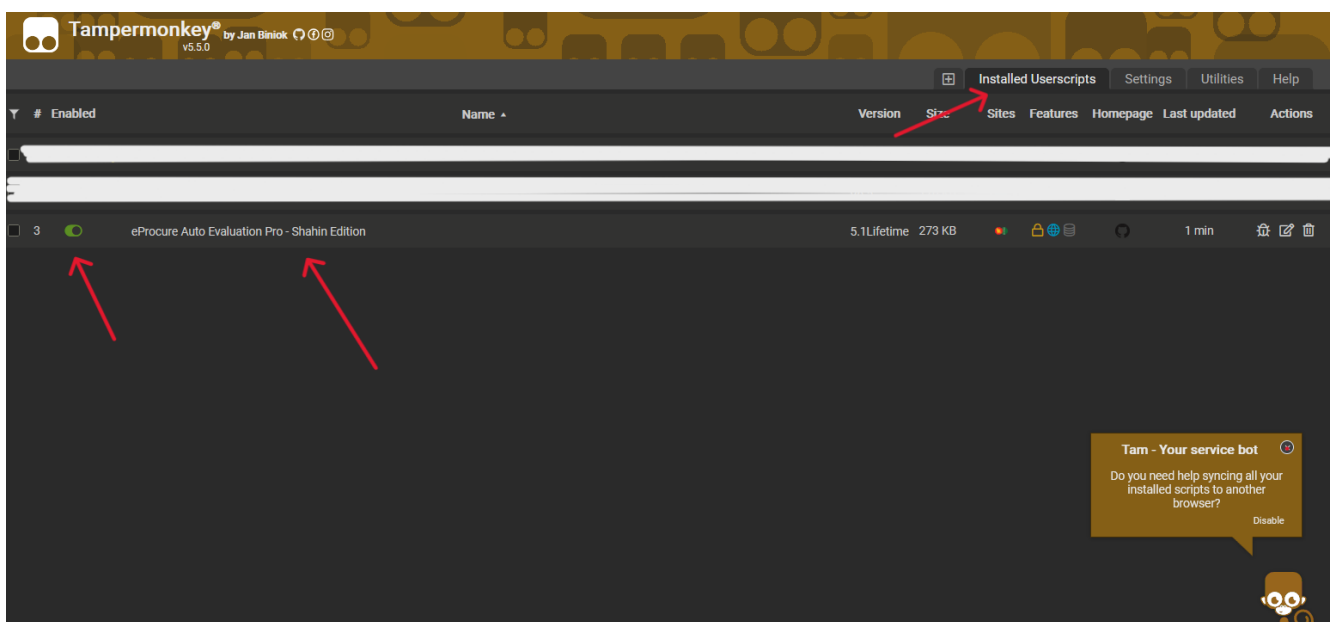

Figure 7: Installed Userscripts – eProcure Auto Evaluation Pro - Shahin Edition – v5.1 Lifetime – 273 KB – Enabled (green)

Make sure the green toggle is ON.

Step 5: Activate Lifetime License

1. Go to <https://www.eprocure.gov.bd> and login.
2. The License Activation window will open automatically the first time.

You will see:

- eProcure Pro v5.1
- Lifetime License - Shahin Edition
- Developed by Mohammad Shahin Hossain, Surveyor, LGED
- Mobile: 01675350306 | Email: srony25@gmail.com

Your Device ID will be shown, example:

SHAHIN-7857-3AAA-4880

Steps:

- Click "Copy Device ID"
- Send this Device ID to Shahin Bhai via WhatsApp: +8801675350306 or Email: srony25@gmail.com
- You will receive a Lifetime License Key, example: XXXX-XXXX-XXXX-XXXX
- Paste the key into the license box
- Click "Activate Lifetime License"

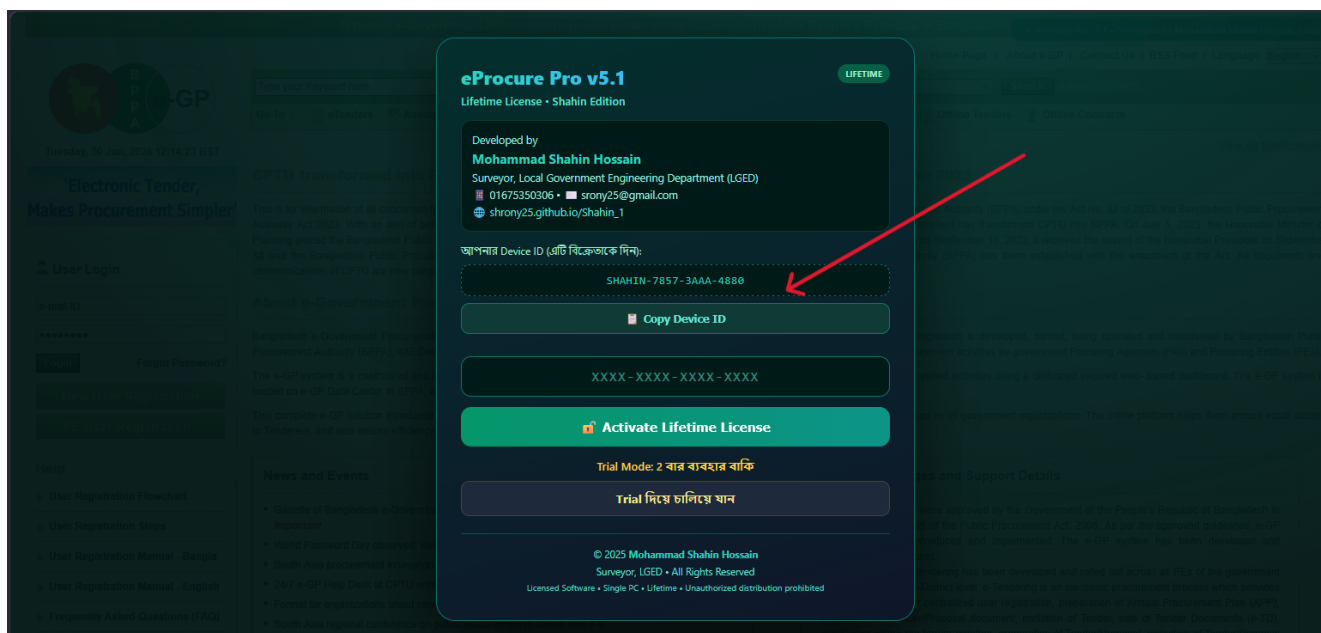

Figure 8: License Activation – Device ID: SHAHIN-7857-3AAA-4880 – Copy Device ID – Send to Shahin Bhai – Paste Key – Activate

Trial Mode: You can use 2 times without a license.

After successful activation you will see: "Lifetime License Activated!"

The page will reload and Pro Panel will start.

Note: 1 Computer = 1 License. Lifetime. No monthly fee.

Step 6: Use Pro Panel – Auto Evaluation

After activation, you will see the "eProcure Pro" floating panel at bottom-right of the eProcure website.

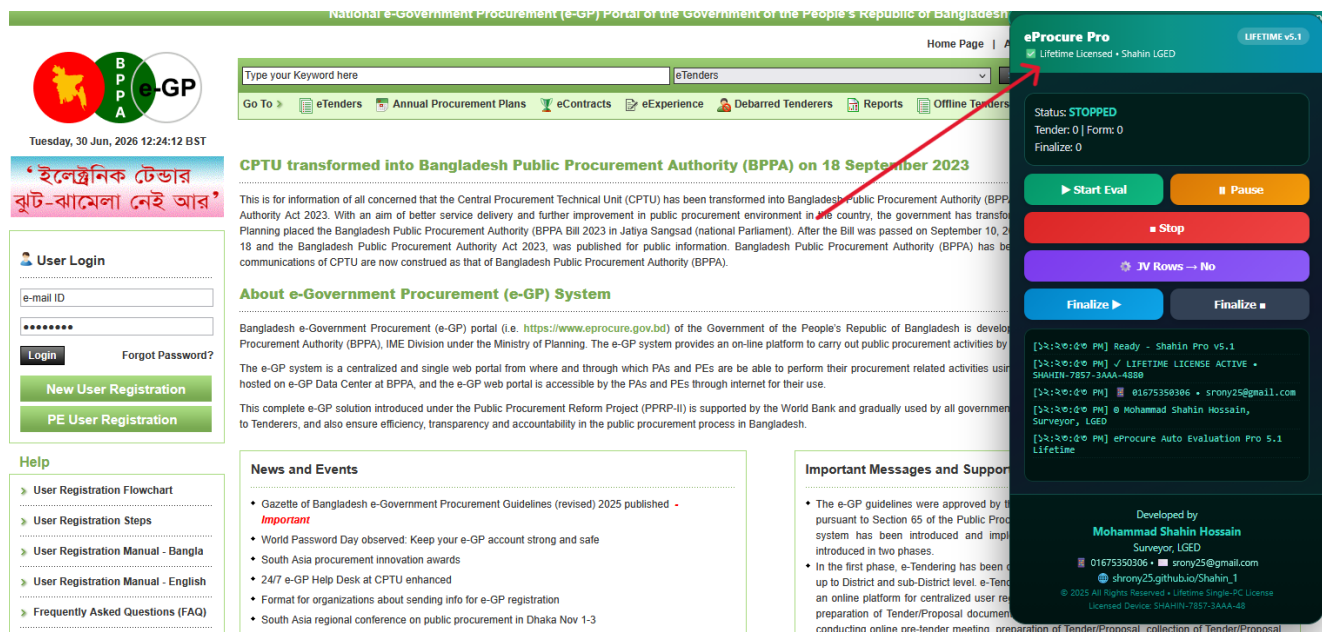

Figure 9: eProcure Pro – Lifetime Licensed – Shahin LGED – Panel Ready – Status: STOPPED

Button guide:

- Start Eval – Start Auto Evaluation. Opens Tenderer -> Form -> Clarification "Accepted" -> Auto Submit.
- Pause – Pause / Resume
- Stop – Full stop
- JV Rows -> No – Set JVCA Partner / Joint Venture / Subcontractor all to "No" in 1 click
- Finalize – Start Finalize Responsiveness mode – sets "Technically Responsive" + "Responsive" auto
- Finalize Stop – Stop Finalize mode

How to use:

1. Go to Tender Evaluation -> List of Tenderers page
2. Click "Start Eval"
3. The script will work automatically. Watch the live log:
[time] eProcure Auto Evaluation Pro 5.1 Lifetime
[time] (c) Mohammad Shahin Hossain, Surveyor, LGED
[time] LIFETIME LICENSE ACTIVE
4. When finished, Status changes to STOPPED.

Panel footer always shows:

Troubleshooting

Panel not visible?

-> Press F5 Refresh. Check Tampermonkey icon is enabled. Click the mini "eProcure Pro" button at bottom-right.

"Invalid license key"?

-> Check Device ID matches. Copy-paste the key exactly with dashes. Call: +8801675350306

Start button does nothing?

-> Make sure you are on "List of Tenderers" page. Status must show "RUNNING (Eval)".

JV Rows -> No not working?

-> You must be on the Evaluation Form page first.

Changed PC / reinstalled Windows?

-> You will get a new Device ID. Send old + new Device ID to Shahin Bhai.

How to update script?

-> Tampermonkey Dashboard -> Check for userscript updates. Or Shahin Bhai will send new file.
